Who We Are

We are Mama Kihomi and Pastor Nzunga, International Ministries Global Servants Serving in Haiti. We were commissioned in 1998 and we have been serving in Haiti ever since.

We were born and raised in the Democratic Republic of the Congo.

Our Organization

Founded in 1814, International Ministries also known as American Baptist Foreign Mission Society, works cross-culturally to invite people to become disciples of Jesus Christ and to proclaim through both word and deed, God's reign of justice, peace and abundant life for all creation.

Our Ministry Focus

We serve as vital link between International Ministries and the Haitian Baptist Convention. We preach in churches and serve through a variety of ministries.

Nzunga teaches theology at the Christian University of Northern Haiti, trains assistant professors and administers a scholarship program for elementary through university-age students. He manages the goat and pig projects for children, the clean water project for communities and the Cap-Haitian Eye Clinic

Kihomi works in counseling, women's health, community health, evangelism, and economic development. She coordinates and advises the women's association of the convention, representing women of all the Baptist denominations of Haiti at international conference. She is passionate about mentoring and women empowerment.
